Why Yealink Headsets – Great Applause from Market

Great Success in
WH6X DECT Headsets

For Yealink:

- Successfully ranked among the industry's top headset manufacturers

For Yealink Distributor:

- Expand sales product categories, provide more complete products and services, and improve customer stickiness
- Expand sales channels and drive the rapid development of overall performance

Why Yealink Headsets – Great Applause from Market

E

“Your headsets offer many different ways to wear them and we believe that your warranty is better. So, we decided to start offering your solution.”

-Ewen

AF

“Your new headsets are different between many options. Easy to use with the phones, without the need to purchase any other cables, so we can sell these separately or create bundles.”

-Adam Fasnacht

J

“Sound quality is excellent. My last headset had a faint buzzing sound, but my new Yealink headset is perfect- perfect sound quality, perfect fit...I love it!”

-Jaime, HR

H

“The Yealink wireless headsets have a really good range. I can walk out to my car without losing connection! I could never do that with my Panasonic headset!”

-Holly

**YHS36 & YHS34 & YHS34 Lite
QJ to RJ Wired Headset Series**

Perfectly Compatible with Yealink Phones

Runs right out of the box, a QD (Quick Disconnect) to RJ9 plug-and-play setup ensures the connectivity to Yealink Desk phones. Perfect match with Yealink desk phones give you optimized audio quality and more enhanced functions.

Noise-Canceling Microphone—YHS36

Excellent Audio Experience

The noise-canceling microphone allows for the most reduction of outside noise, so the listeners can focus more on the desired sound at hand, the nearby talkers are protected with most call privacy as well..

Ultra Lightweight Design—YHS34&YHS34 Lite

Built for comfort with soft ear cushions and ultra-lightweight materials, the YHS34/ YHS34 Lite is 10%~30% lighter than other headsets in the same range. The extremely lightweight design enables all-day wearing comfortable without pressure.

All Day Wearing Comfort

YHS36
(Leather ear cushion)

YHS34
(Leather ear cushion)

YHS34 Lite
(Foamy ear cushion)

The over-the-head wearing style, ultra-lightweight materials, and bio-mimetic protein-based leather ear cushions make your head and ears feel relaxed. Its ergonomic design enables the YHS36/YHS34/YHS34 Lite comfortable enough for long conference calls and all day use.
